

Kentucky Cowboy Mounted Shooters

Minutes of November 12, 2011

The meeting of the KCMS was brought to order by President Rod McCracken at High Trail Arabians in Boston, Kentucky at 12:20 p.m.

Members present include; Rod McCracken, Ruth McCracken, Linda Ellis, Jeep Ellis, Stanley Gaddie, Rick Hagen, Marilyn Hagen, Luke Hagen, Wade Hagen and Phil Clayton.

Minutes from the last meeting: There were no changes, additions or deletions.

Treasure's Report: We have \$939.12 in our checking and \$50.00 in petty cash.

Membership: We lost the Greenwell's and the Bowling Green members. We are at about 20 now.

CSA or CMSA? The rules and insurance are about the same. Insurance with CMSA is \$250 and CSA is \$100. CMSA has been around a lot longer and may help us bring in more shooters to the club or to a match. CSA is a newer organization, much fewer members, much fewer clubs. It is \$60 -70 for an individual to join the national club for CMSA and \$20-30 for an individual to join the national CSA. After much discussion it was decided that the less expensive CSA is the better choice for our club at this time. We will join CSA and send a check to them as soon as possible.

Waiver: We will need to have all the people that shoot at a match sign a waiver and post signs stating the danger of this sport.

Badges: Cowboys don't wear name tags. We can order badges for 3 or 4 dollars a piece. They will not be personalized but will have KCMS in the center with an antique finish. We can sell them to members for \$5.00 and make a little money for the club.

Parade: The Bardstown Christmas Parade is going to be held on December 1, 2011. Several members are going to ride their horses. Phil is going to check on getting us a wagon and we can all dress up and ride along. We will have to have a banner. This will give us some publicity for our club.

Christmas Celebration: Marilyn and Rick invited everyone to their home for Christmas. She will notify everyone of the date.

Meeting was adjourned by President Rod McCracken at 1:28 p.m.
